## **PRICE LIST**

This price list is designed to help you understand the wide variety of options available to you with respect to funeral arrangements, as well as the costs associated with each option. The list is divided into the following sections:

### **Services, Facilities and Vehicles**

All the services provided, facilities available and vehicles used are outlined in these sections. In addition to the price, this section includes a detailed description of the services, facilities and vehicles we offer.

### **Additional Services or Supplies**

This section discusses additional services and/or supplies that might apply to the ceremony type selected. The additions may include such items as pacemaker removal, storage fees, ceremony stationery, cemetery equipment and reception facilities. In regards to the reception facilities we offer for receptions following ceremonies, the maximum number we are able to accommodate being 150 people. Also certain scheduling restrictions may apply. We are pleased to make arrangements with a caterer for you.

### **Cash Disbursements**

You may wish to have us arrange for goods and services in addition to those which we provide. Such items, paid for by us on your behalf, would appear on our account as cash disbursements. This section provides a list of some of the items we are frequently called upon to obtain. The prices associated with these items vary considerably, however where possible the price or range of prices is indicated.

### **Caskets, Containers, Vaults and Urns**

This section includes a description and the price of each casket, container, urn and vault we offer.

### **Ceremony Types**

We are called upon to arrange many different types of services. The 16 different types we most frequently provide are identified in this section. If, however, the type of service that would best suit your wishes or the wishes of your family is not listed, we are able to customize the funeral arrangements to suit your requirements. Please feel free to contact one of our funeral directors if you wish to discuss any of the arrangements in greater detail.

### **Effective Date**

The prices set out in this list are in effect until further notice.

### **Taxes**

All of the prices listed are exclusive of any applicable provincial or federal taxes.

### **Availability**

All caskets, containers, urns and vaults listed are subject to availability.

## **PAYMENT**

Unless otherwise specified or agreed upon, disbursements and taxes listed in the contract must be paid at the time of arrangement.

Payment is due within 30 days of signing the contract. Payment must be made by cash, cheque, debit, and most major credit cards. Payment plans are also available to meet most budgets. Financing charges apply to payment plans. Beyond the allotted time interest will be charged at a rate of 1.5%, which is equivalent to 18 % per annum.

## **FINANCING**

Our payment plans give you the option of making payments over time. We offer a competitive financing program, administrative fees and interest rates.

## **FUNDING**

For your convenience, we offer two funding options when prepaying services or supplies. When prepaying, you pay for the services and supplies today and the money will be used to pay for the services and supplies when they are delivered at the time of death.

### **Trust**

You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.

### **Insurance**

You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services or supplies at the time they are delivered or the contract is cancelled.
